

2016

BEKA-MAX HOSTED ITS OPEN HOUSE IN OCTOBER

Buffalo, NY – Beka-Max welcomed customers and dealers to its US office in Buffalo, NY on October 28. The 2015 Open House gave guests an opportunity to meet in person with Beka-Max staff to talk about opportunities in their businesses and get to know one another. Guests also had the unique opportunity to learn about some of the new Beka-Max products and how they might be used in their application.

New products featured at the Open House include:

Lube-Shuttle®, leak-proof grease guns that allow complete use of lubricating grease and come with re-useable, refillable, screw-top grease cartridges

LubeJet-eco system, one of three new lines of professional-grade pneumatic spray grease gun systems ideal for telescoping booms and other large or chain-type surfaces

BEKAONE, a refillable, battery-operated, single-point lubricator that reliably and precisely supplies grease to any existing lube point in difficult-to-reach locations

Plan to attend next year's event!

About Beka-Max of America Inc.

BEKA is today's leading global brand of automatic lubrication systems for industrial, over-the-road and off-road applications. Since 1927, BEKA has been trusted by equipment manufacturers and owners for high quality innovative central lubrication systems. Across the US, Beka-Max of America Inc. and its dealer network delivers on the BEKA promise of environmentally friendly, trouble-free products that increase component life, reduce repair costs and increase the value of your equipment. We measure our success by your up-time.
