## **WHO WENT TO OKTOBERFEST!**

ConExpo is always exciting for many reasons, but our BEKA staff really enjoyed seeing so many attendees at our booth, eager for a chance to win our prize trip to Bavaria for Oktoberfest 2017. Now, we're happy to announce the three lucky visitors who were our guests for a factory tour of BEKA enjoyed Franconian hospitality in Pegnitz, the home of BEKA and then went to the world's largest pub where they joined in the festivities at the home of the original Oktoberfest in Munich.

Our lucky group had the time of their lives. Congratulations to Matt and Alicia Felio (Paul Hansen Equipment of El Cajon, CA), William and Abbey Bryan (BAUER-Pilco, Inc. of Conroe, TX) and Jeff and Saylor-Rose Weaver (Motion Canada of North Bay, ON). After a week of walking and sampling the world's finest ales and bratwurst, they were happy to be home. Maybe next time it could be you!

### **About BEKA**

BEKA is today's leading global brand of automatic lubrication systems for industrial, over-the-road and off-road applications. Since 1927, BEKA has been trusted by equipment manufacturers and owners for high quality, innovative central lubrication systems. BEKA and its dealer network delivers on the BEKA promise of environmentally friendly, trouble-free products that increase component life, reduce repair costs and increase the value of your equipment. We measure our success by your up-time.

In 2016, Beka-Lube Products Inc. became part of Baier + Köppel GmbH + Co. KG, of Bavaria, Germany, the manufacturer of BEKA-branded central lubrication systems. In America, BEKA systems are marketed and supported by the international BEKAWORLD LP group. For more information about BEKA lubrication systems in Canada or the United States, please contact:
